

Hello by: Lionel Richie (1992)

I've been alone with you
 Inside my mind
 And in my dreams I've kissed your lips
 A thousand times
 I sometimes see you
 Passing outside my door
 Hello!
 Is it me you're looking for?
 I can see it in your eyes
 I can see it in your smile
 You're all I've ever wanted
 And my arms are open wide
 Because you know just what to say
 And you know just what to do
 And I want to tell you so much
 I love you

I long to see the sunlight in your hair
 And tell you time and time again
 How much I care
 Sometimes I feel my heart will overflow
 Hello!
 I've just got to let you know
 Because I wonder where you are
 And I wonder what you do
 Are you somewhere feeling lonely?
 Or is someone loving you?
 Tell me how to win your heart
 For I haven't got a clue
 But let start by saying I love you
